

Locate Everything DiSC Video

All facilitation materials are located on the Everything DiSC USB drive. Insert the USB drive into your computer's USB port, open the Mac_iPad folder, and then open Facilitation Materials.

The picture below shows part of the Mac_iPad Facilitation Materials folder from the Everything DiSC Work of Leaders USB drive.

The **Video_BuildYourOwnSlides.key** at the bottom of the list is a locked Keynote file containing all video slides used in the program.

Double-click the file to open it.
